Marriage Check-Up for Married Couples

March 20th
June 19th

Greetings, I am LaPinsky Phillips, a servant in the Body of Christ. I wanted to give you a future view of how I believe God wants me to serve **His Kingdom** this year. Phillips & Jethro, LLC utilizes a process called **Heart Scan ... Digital Truth™** to search the hearts of the participants to provide a personal and accurate assessment of the topics being discussed. "Heart Scan" displays the questions that require candid and honest response by the audience. Each participant answers the questions digitally, privately and anonymously without the fear of being influenced by peers or position. The dashboards above provide a view of some of the topics available for discussion. **"Heart Scan for Men and Married Men"** is a collective of men coming together to strengthen and encourage each other with Godly wisdom and life experiences. **"Marriage Check Up"** is a collective of married couples joining to share and mentor younger couples. We believe that none of us have all of the answers, so we embrace the scriptures which teach that *"in the multitude of counsellors there is victory"*.

Come let us reason together.

I invite you to join us. If you know of someone that may benefit from this process, share this information. If you are a Pastor, ministry or group leader and want to try a different ministering model for your group; then I encourage you to take the Nehemiah approach; join us, taste it and see.

- May I direct your attention to our feature event for March; **"MARRIAGE CHECK UP"**
